<p> Event Recap: Cincinnati and Surrounding Area Curry Club's June 2024 Meet-up </p> <p>In what was expected to be a bustling gathering of curry aficionados, the June 2024 business and dinner meeting of the Cincinnati and Surrounding Area Curry Club started with a pre-meeting rendezvous at a smoky lounge creatively named The Lounge, located just down the street from Taj Indian Restaurant.</p> <p>The Lounge, with its dim lighting and vintage décor, provided a nostalgic backdrop as Rob and Matt shared stories and prepared for the evening ahead. The smoky ambiance added an old-school charm, setting the stage for what was to come.</p> <p>Eventually, the duo made their way to Taj Indian Restaurant, nestled in the Anderson Towncenter of Beechmont. The event turned into a close-knit affair, with just Rob and Matt braving the summer heat. Despite the meager turnout, they took full advantage of the venue. The night was an epicurean delight, showcasing phenomenal food and outstanding service. The owner, perhaps in a bid to ensure the two didn't feel too lonely, graciously provided multiple free orders of poppadoms. While the empty chairs lamented the absence of their companions, Rob and Matt reveled in an unexpected VIP dining experience. The high score achieved by Taj Indian Restaurant will be tough to beat in future gatherings, setting a deliciously high bar for future Curry Club escapades. Here's hoping next month's meet brings a full house! 🍛 ✨</p>
